MORAN GOES FREE

OF MURDER CHARGE.

San Francisco, Cal., May 12.—Murder charges against Owen Moran resulting from the Tommy McCarthy death were yesterday dismissed by police judge Dolan. He held that all conditions of the law were complied with in the fatal fight, which in view of the coroner's jury verdict of accidental death, could not warrant the holding of the young Englishman for murder.

BISBEE Is Baseball Crazy;
Has a Big Club Of Rooters

Bisbee, Ariz., May 12.—There's no more spots anywhere in the Warren district over the fact that the home hurlers went to Douglas last Saturday and put up an exhibition of schoolboy baseball. From all accounts, guess they did—with five errors in one inning—but it is all forgotten in the glorious windup on Sunday, that drove the delegation of 300 fans who rode the hip from here to Douglas, just about dippy.

Tell you what this long boy Clarence Marshall did in that Douglas half of the ninth of that game. With Bisbee three runs to the good, he put on steam and just to show them that he had not been using everything he had, he retired the three best Demon hitters on just three pitched balls, a fitting windup to a great battle, Marshall says he has a kid brother at home who can play baseball. The association wants him to send for him right off the reel, also any more of the family whom he may care to have out here. Marshall by his great work against the Demons, has weighted down a home here that all the cyclones and Halley's comets combined could not rob him of, and he bids fair soon to own the town.

Marshall has now worked three full games against the Demons, one of them as an exhibition. In that game they gleamed three hits; in the opening game of the regular season five; and in Sunday's affair a scattered seven.

That rooters' club idea has taken such hold upon everybody that there are now more than 200 men, including the city's most prominent business and professional talent, enrolled as members. When Cananea arrives Friday night they are planning to give a monster parade in the Mexico team's honor; to contain four bands, rooters' club of Bisbee, Lowell and Warren, members of both teams, city officials and members of the board of directors of the baseball association. It will wind up with a grand rooftop and concert by massed bands on the Copper Queen plaza.

Single men are in the extreme minority on this team. Right now they can be counted up in four stabs—"Pinkie" Walter Hanson, outfielder and south-paw pitcher, has gone to Peoria, Ill., to join that club in the Three I league. He received an offer from its management of more money than he was getting here, so he promptly accepted. He will play the outfield mostly.

First baseman Van has beat it, supposedly to the coast. He was ill with tonsillitis when the team went to Douglas and remained at home. Saturday afternoon he packed his grip and made for the train, the last seen of him.

Attractive badges, printed on white with maroon ink, have been issued and the wearing of one signifies that the party has paid his dues into the organization. The affair is called the Warren District Rooters' association, and it has three divisions, Bisbee, Warren and Lowell, with district captains for each. The officers elected were as follows:

President, C. R. Morfoot; vice president, Jesse Yeakum; captain Bisbee rooters, Bob Newcomb; captain Lowell rooters, Ross Cunningham; captain Warren rooters, Billy Ferguson; secretary treasurer, M. D. Betz.

The rooters made their first concerted demonstration at the Sunday game in Douglas. A bunch of youngsters occupied the section of the right field bleachers near first base and lining after lining kept nagging at El Paso until in the last two rounds the goat that had proved El Paso's mascot deserted him and took up its abode on the Bisbee bench with the results as demonstrated by the score column.

For Friday night's parade the rooters have secured costumes, which will also wear at the ball park Saturday and Sunday. Bob Newcomb and "Ham" have been delegated to compose songs and yells, which will be concocted to fit any occasion.

Jack Goyehen has made friends all around the circuit, apparently. Cananea started it off during the exhibition series by saying all kinds of nice things about him. Bisbee duplicated the performance and did El Paso. Douglas liked him all right until he made a close decision against them on a ball hit down the right field foul line in the game here May 1. Then the players said he was rotten and planned a petition to have him canned from the league. But it takes two teams to make a bargain.

In that Sunday Bisbee-Douglas affair, umpire Mackey exercised his right to fine a player, this being the first time it has been resorted to this year. Graham and Dalrymple were the victims, and they say Mackey will have to freeze before they pay.

According to the code of instructions prescribed by umpire sachev Vic Walling at Cananea, the same set of regulations shall apply as govern in organized ball, only the maximum fine shall not exceed \$5. The umpire is also cautioned against ordering players from the game and should only do so in extreme emergencies when absolutely necessary to preserve discipline. This is done owing to the small number of players carried by each club. Often the removing of one or two from the game would seriously impede their winning chances and this Walling is desirous of avoiding.

The grounds during a game will be kept in the same order as those of a big league park. The umpire will see that before each game is called the grounds are cleared of everybody save the players, in uniform of each club, the managers of the teams, officers in uniform, the umpire and such ground-keepers and park police as are necessary for the maintenance of peace and quietude.
